

SMASH invites our community of corporate partners to volunteer and engage in programming throughout the summer as well as throughout the academic year

Networking Nights

- Help students hone their networking skills, public presentation skills, and more

Branding Opportunities

- Be promoted as a local and/or national sponsor across our networks

STEM Excursions

- Scholars connect with STEM professionals at your place of business

Saturday Academy

- Engage with scholars in Computer Science activities
- Participate as guest speakers
- Co-facilitate a workshop

SMASH Rising Internship

- Hire a pod of SMASH Alumni to solve a real business challenge at your company
- This is a new take on the internship experience & workplace readiness

Speaker Series

- Share your STEM story and professional journey

Career Profiles

- Genius Plaza is an EdTech platform in partnership with SMASH, and accessed by more than 2,000 school districts around the country
- Profile your employees on Genius Plaza
